

Ten Secrets

The following is just a brief summary of the most important points about the Ten Secrets. These points are taken from the more detailed information in this section about the Ten Secrets. Even though Our Lady does not speak a lot about the secrets, She does speak about them, so they are an important part of Our Lady's plans in Medjugorje. The visionaries tell us that everything Our Lady does has profound meaning. If Our Lady has chosen to give the six visionaries ten secrets that will be used to bring worldwide conversion to the world, we need to pay attention to what She has said and done in regard to the secrets which have yet to be revealed. There are those who want to hush talk about the secrets. The question should then be posed, "Why did Our Lady let the visionaries tell that they have secrets?" Our Lady, while not wanting at this moment to reveal their contents, does want us to know there are 10 secrets, and we know enough that some are very grave. Yes, Our Lady wants very much for us to know there are secrets and for that knowledge to be an impulse for conversion now, not to wait for the secrets, because then it will be too late for many. So to those who say there should be no interest in the secrets or that one should not wonder about them, this is a contradiction of Our Lady's intent that Her children know about the secrets.
